

CITY OF DUBLIN

NOTICE OF PUBLIC HEARING

Community Development Director

Tuesday, November 15, 2016 at 2:00 p.m.

Public Works Conference Room (Front), First Floor of the Dublin Civic Center
100 Civic Plaza, Dublin

Project Name: Vesting Tentative Parcel Map 10546 for Kaiser Dublin Medical Center (PLPA-2016-00007)

Project Description: Kaiser Permanente is requesting approval of Vesting Tentative Parcel Map 10546 to divide two parcels into four parcels for the purposes of a development of the future medical center and adjacent commercial parcel. The Planned Development Zoning District has already been approved for the project and the Site Development Review application for the first phase of the project has also been approved. Vesting Tentative Parcel Map 10546 does not allow development beyond that which has already been approved, but it serves to allow the two parcels to be divided into four for the purposes of matching the four project phases.

Project Location: The 58 acre site lies south of Dublin Blvd. between Grafton Station and Fallon Gateway. Interstate 580 forms the southern boundary of the site. (Assessor Parcel Numbers 985-0061-005-00 and 985-0027-009-02).

You are invited to attend this meeting and provide feedback regarding this project. If you challenge the described action in court, you may be limited to raising only those issues you or someone else raised at this public hearing, or in written correspondence delivered at or prior to this public hearing.

PLANNER: Kristi Bascom
